Family Registration

Families must complete each year a “Family Registration Form”. This form gives us details of who is responsible for school fees, the address they are to be sent to and how the fees will be paid - three instalments, monthly or fortnightly. These forms will be sent home toward the end of each year for families to complete.

The concession on Tuition Fees for 2nd (20%) and 3rd (50%) children is applicable when all children attend schools within the Diocesan system (this includes St Edwards). Fourth and subsequent children are free of tuition fees.

The Family Registration Form, referred to above, when lodged with the School Office will ensure the discount is given. A discount will not be given without this form being completed and will see the parent responsible for the full amount. The building levy is not paid here if you have an older child attending St Joseph’s but this does apply if you have a child at St Edwards.

The School Education Fee is a combined fee covering: Cleaning and Maintenance, Technology and Library costs. Also covered by this are photocopying, books, craft materials, resources for KLAs, excursions (not overnight excursions), incursions eg. Life Education, Athletics and Swimming Carnivals, etc. This cost also includes stationery items for K-2 students.
Financial Hardship

We recognise that some families may be experiencing genuine financial hardship and wish to emphasise that we will work with families to ensure that Catholic schooling is available to those who genuinely desire it. Please contact the school to discuss your options should this be the case.
