2016 Agreement Student and Parent Agreement
All Digital and Online Use at Our Lady Star of the Sea

Yr 4-6 Students and Parents

I will…

1. Stay safe
☐ I will not create accounts or give out any private information – such as my full name, date of birth, address, phone number
☐ I will not take photos, videos or use photos of others unless it is specifically as part of my learning and involves a discussion with my teacher, parents and permission.
☐ I will not share my passwords with anyone other than my family. I will ask my family to help me with privacy settings if I want to set up devices, accounts, or profiles.
☐ If anyone makes me feel pressured or uncomfortable, or acts inappropriately toward me online, I’ll stop talking to that person and will tell a friend or family member I trust about it.

2. Think first
☐ I will not bully, humiliate, or upset anyone online, whether through sharing photos, videos, or screenshots, spreading rumours or gossip, or setting up fake profiles – and I will stand up to those who do.
☐ I will not post anything online that could harm the reputation of myself and others
☐ Whenever I use, reference, or share someone else’s creative work online, I will give proper credit to the author or artist.

3. Stay balanced
☐ I know that not everything I read, hear, or see online is true. I will consider how reliable a source or author is.
☐ I will help my family set media time limits that make sense, and then I will follow them.
☐ I will be mindful of how much time I spend in front of screens, and I will continue to enjoy the other activities and people in my life.

My family agrees to . . .
☐ talk with me about what worries them and why, show interest in my learning and determine the boundaries for use at home.
☐ talk to me about my interests and help me find media that’s appropriate and fun.
I understand my family and school have invested a lot of money to help my learning with our BYOD iPad. This carries very important responsibilities which I agree to:

I will...

1. Take as much care of my iPad as possible and the iPads of Others
   - I will only touch my own iPad. I understand that if it is not my personal property, even with the best of intentions, things may go wrong. If I don’t touch someone else’s iPad at all I can’t be held responsible for any damage, even if it is accidental. I therefore commit to only touching my own property.

   - I will be as careful as possible with my iPad. I need to use clean and cautious hands at all times. I need to ensure I do everything reasonable when using the iPad at school and home to protect and keep it from being damaged.

   - I will carefully pack my iPad in the compartment shown of my school bag each morning before coming to school, and each afternoon before going home. Under NO circumstances will my iPad ever leave my school bag unless I am at home or in class at the appropriate times unless my parent is with me and gives me direct permission.

2. Have my iPad ready to be used appropriately each day
   - I will make sure I charge my iPad each night and have it fully ready for a day at school before packing it in my bag.

   - I will ensure when my teacher occasionally asks approved apps to be downloaded I do this in the timeframe provided.

3. Use my iPad to enhance my learning, not distract from it.
   - I will respect and adhere to the school’s rule the iPad is never to be used at school for games or entertainment. I understand my parents will determine how it is to be used at home, and will respect their decision.

If I break this agreement, my teachers and parents will work together and determine consequences. This discussion will include the principal and will include loss of access to technology for a period of time.
