A note from our Principal, Mr Robert Peers:

Dear Parents and Children

As we all come to terms with the new 'normal' at least for the time being, let's continue to support one another in the beautiful and respectful way already so evident. As a Catholic community, we are people of faith and hope. Whilst many of our families are hurting financially, and most of us are now physically apart, our faith unites us, as we look forward to the risen Jesus and the hope of good times to come.

Prayer for a Pandemic (by Cameron Wiggins Bellm).

*May we who are merely inconvenienced
remember those whose lives are at stake.*

*May we who have no risk factors
remember those most vulnerable.*

*May we who have the luxury of working from home
remember those who must choose between preserving their health or making the rent.*

*May we who have the flexibility to care for our children
remember those that have no options.*

May we who have to cancel our trips remember those who have no safe place to go.

May we who are losing our margin money in the turmoil of the economic market remember those who have no margin at all.

May we who settle for a quarantine at home remember those who have no home.

As fear grips our country, let us choose love during this time when we cannot physically wrap our arms around each other, let us find ways to be the loving embrace of God to our neighbour. Amen.

This weekend is Palm Sunday and the beginning of the holiest week in the Church's year. We are developing some ways we can bring this to the children next week. Stay tuned.

IMPORTANT - Home Learning Updates – (Phase 2 Learning)

As we move deeper into the Home Learning agenda, we respect and appreciate this is just so new and for many, such a difficult adjustment. For some parents, we won't be moving quick enough – yet for others, we are moving too fast.

We respect that for many of you, working from home anyway – then juggling the different needs of your children can feel overwhelming. Please know the school understands this. Many of our staff are parents who are also facing these challenges. Let's continue to listen, respect and support one another in these challenging times. We all have the same 'end game' in mind. Travel gently!

Years 4, 5 and 6

All students should now be engaging in the learning tasks with their teacher on 'Google Classrooms'. If your child has not commenced this, please ensure they get started.

Year 3

Learning on 'Google Classrooms' is now up and running. **Your child should be able to access this now. We will email today login procedures to all Year 3 families in case you are uncertain.**

Year 2

Learning on 'Google Classrooms' is about to be launched. (Login details to be provided – see below).

Kinder and Year 1

Learning on 'See Saw' is about to be launched (Login details to be provided – see below).

- *Parents in K-2 classes are about to receive an individual email. We have subscribed to a range of different reading and literacy resources which children will be prompted to engage with through their learning platform ('See Saw' for Kinder & Year 1; 'Google Classrooms' for Year 2).*
- *The email will include different login details and passwords unique to each child. This will be a 'one stop shop' for parents so logins can happen as easily as possible when required.*

Parents these platforms will be simple to begin with, so you and your child have time to get used to this. Once we're all familiar with them, they will expand and develop.

The Power family in action - learning from home

Does your K-3 child need to Borrow a School iPad?

We have already written and offered to lend a school iPad for those parents who indicated shared use at home in K-3 in our recent survey. Any other families who feel the use of a school iPad will assist in making things work at home is invited to let us know by [clicking here](#). Of course, there will be strict expectations about looking after our school property, but during these challenging times, we are happy to assist you on the home front in this way if required. We will be in touch next week to allocate the iPads to families requesting them.

OLSS Library Express

Our trial yesterday was enormously successful and thank you to the parents who very quickly booked timeslots to enable children to be borrowing and reading something which is extremely important at the moment.

Bookings for next week are now open 'and we encourage families to book a place by [clicking here](#). The code is **y9thg**

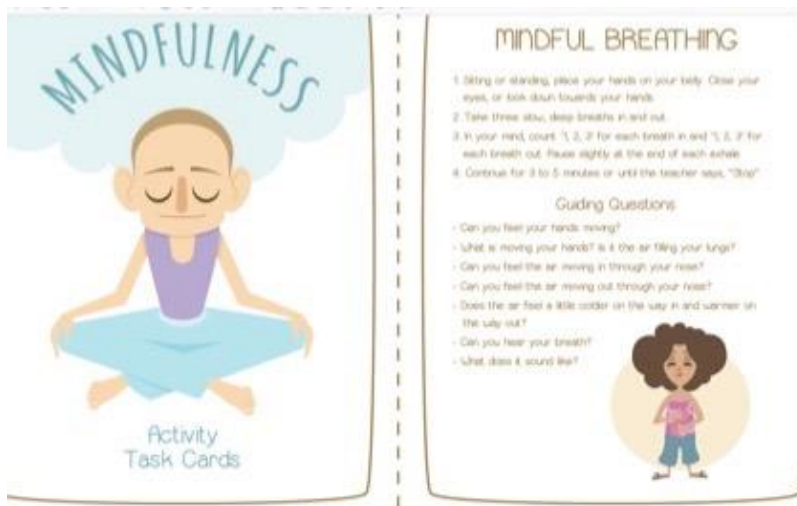

Library Express will be open next Tues 7.4, Wed 8.4 and Thurs 9.4.

We would love you to book in and for our children to have lots of books available for the upcoming school holidays.

Wellbeing – Mindfulness Learning from Home

In these changing and stressful times, we have added a **Wellbeing** Tab for Home Learning and encourage families to access this and keep mental health and wellness a high priority. [Please click here](#) to access this tab and use the lovely resources available to keep up spirits.

God bless you and your families

Sport from Miss Molly

Please see below updated information about suspensions and cancellations of Sport in Broken Bay and Polding. We realise this will be very disappointing for our families, but there is some hope some of these events can take place if the situation improves.

No official decision on the cancellation of Term 3 PSSA events except for Cross Country and Netball have been made even though they seem unlikely.

An Update on the Status of Primary School Sport Representative Pathway Events

All Broken Bay primary sport events scheduled for term 2 have been cancelled or suspended (see table).

All NSWCPSS Polding primary sport events scheduled for term 2 have been suspended or cancelled including cross sector AFL girls trials (see table).

All NSWPSA state carnivals scheduled for term 1 and 2 have been cancelled and will not be rescheduled (including swimming and diving).

All School Sport Australia events for 2020 have been cancelled and will not be rescheduled. There will not be any state team selections.

Broken Bay, NSWCPSS Polding and NSWPSA will not make any further decisions regarding sports events scheduled for term 3 until further government announcements regarding schooling and restrictions on events in light of the COVID-19 situation as it evolves.

Please find a table below that notes the status of Broken Bay and Polding events as either cancelled or suspended. Further confirmation regarding suspended events will be announced as a decision is made regarding the possibility of postponing to a later date.

News from Mrs Morris 'Cinders – A Charming Tale' DVD Available for Families

The week of the 18th to the 20th of September 2019 saw the culmination of many months' preparation for our wonderful school concert 'Cinders – A Charming Tale'. The teachers and children worked extremely hard and were repaid with performances that can only be described as 'fit for Broadway'.

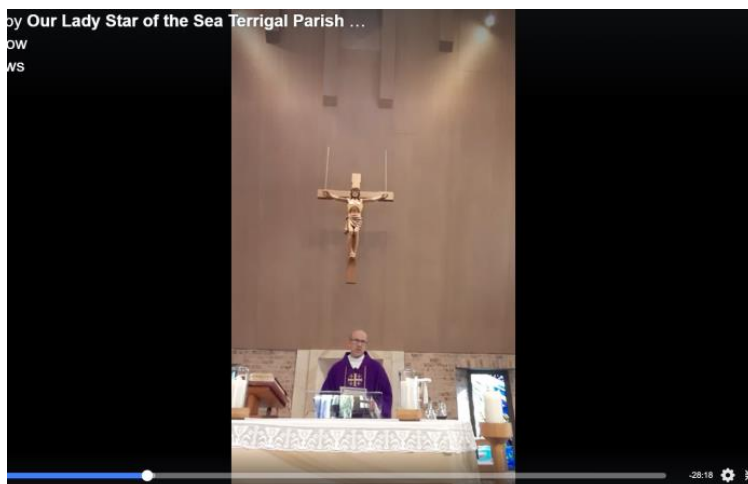

We have finally been able to employ someone to edit the hours of footage taken by one of our teachers so that a DVD can be available to purchase. **The cost of the DVD will be \$15.** What a great way to relive all the fun and what a wonderful keepsake!

To express interest in purchasing the DVD, please indicate no later than Wednesday 29 April. [Click here](#) to express interest. Once we have collated these, we will be in touch with order and payment options.

Mass in Terrigal Parish During COVID-19

On Sunday morning, Mass was streamed live here in OLSS church. Although very different, there was something very reassuring about being there in spirit and following Fr Pawel and Janette. I encourage families to tune in on Sunday, which is the start of Holy Week. To do so, parents please search for Our Lady Star of the Sea Terrigal Parish Community on Facebook.

The **NSW Premier's Reading Challenge** has once again started for this year. Anyone who completed the challenge last year may now start filling their reading log online, using the same username and password from last year.

["Welcome to the NSW Premier's Reading Challenge](#)

The Challenge aims to encourage a love of reading for leisure and pleasure in students, and to enable them to experience quality literature. It is not a competition but a challenge to each student to read, to read more and to read more widely." From the PRC website.
