Religion

Students will continue exploring the many ways that they are loved by God. They will also explore and respond to a variety of New Testament scripture passages.

English

Students will be engaged in the strands of Speaking and Listening, Writing and Representing and Reading and Viewing.

These strands develop and extend the children's ability to:

- Recognise initial sounds in words,
- Read at a beginning level a variety of texts,
- write an increasing number of recognisable words,
- Group letters to form simple words,
- Continue to follow simple class routines,
- Interpret simple instructions from teachers or peers,
- Demonstrate attentive listening,
- Express to the class their needs, feelings and wants.

Mathematics

Students will be working in the strands of Whole Number, Multiplication and Division, 3D shapes, Time, Length and Data.

These strands include concepts such as:

- Counting numbers to 30.
- Ordering, reading and representing numbers 0-20.
- Grouping and sharing collections of objects.
- Describing length and distance using informal units.
- Sequencing events and describing duration of events.
- Sorting and describing 3D shapes.

Creative Arts

Visual Arts

Students will be invited to make various artworks using different mediums. This links with our shared texts over the term.

Music

This term the children will be introduced to the instruments of the orchestra, specifically at high and low tones of these instruments. We will also learn how instrument sounds can take on characters in a story as in Peter and The Wolf by Sergei Prokofiev.

Drama

The children will be participating in learning concepts of Drama. This will involve using imagination and the elements of drama in imaginative play and dramatic situations. This term there will be a focus on role-playing and making friends.

Science

Earth and Space

This unit focuses on daily and seasonal changes in the environment. Students investigate how living things respond to these changes in the environment.

History

Personal and Family Histories

Kindergarten will be learning about members of their family, where they were born and raised, and how they are related to each other.

Japanese

In Japanese lessons students will learn how to count to ten and basic greetings.

PDHPE

Health: Keeping Safe

Students will identify signs that may indicate they are in a potentially unsafe situation. They will develop their knowledge of strategies and actions they can apply to promote their safety and wellbeing in a range of situations and environments.

Sport: Fundamental Movement Skills

Kindergarten will be learning fundamental movement skills such as hand eye coordination, throwing and catching, locomotives and striking and hitting. These skills are the basic movements required to participate in many sports.
